

## Fencing Systems

Maintenance Free and Long Lasting Fencing Products

# revolutionising fencing products

Revolutionise your outdoor living space with the innovative range of PVCu garden fencing systems from Liniar. These stylish products offer an attractive alternative to more traditional fencing products.

The Liniar range of PVCu fence posts and gravel boards can be installed in exactly the same way as concrete or timber products, but they offer a more flexible and durable solution.

Our fencing systems are available in a variety of fence style options, including picket, ranch as well as post and picket. Simply maintain your PVCu fencing with hot soapy water - no further maintenance is required to keep your fence looking great.

To enhance the fencing system further, Liniar manufacture a wide range of decorative accessories, including lamps, decorative post caps and wrought iron style scrolls, to help you make the most of your new outdoor space and provide a relaxing safe and secure environment.

## features

All Liniar products are manufactured in the UK from 88% recycled materials, and we have extensive experience in the PVCu fencing market. The fences are maintenance free and the PVCu system does not rot or rust - making it extremely durable.

Liniar fencing systems are available in a choice of colours – white, beige, green or brown – a unique concept in the marketplace. The coloured fencing can be combined with our PVCu decking products to create your own co-ordinated customised design, and bring a touch of colour to your garden space. The PVCu is colourfast, ensuring it retains its attractiveness over years to come.

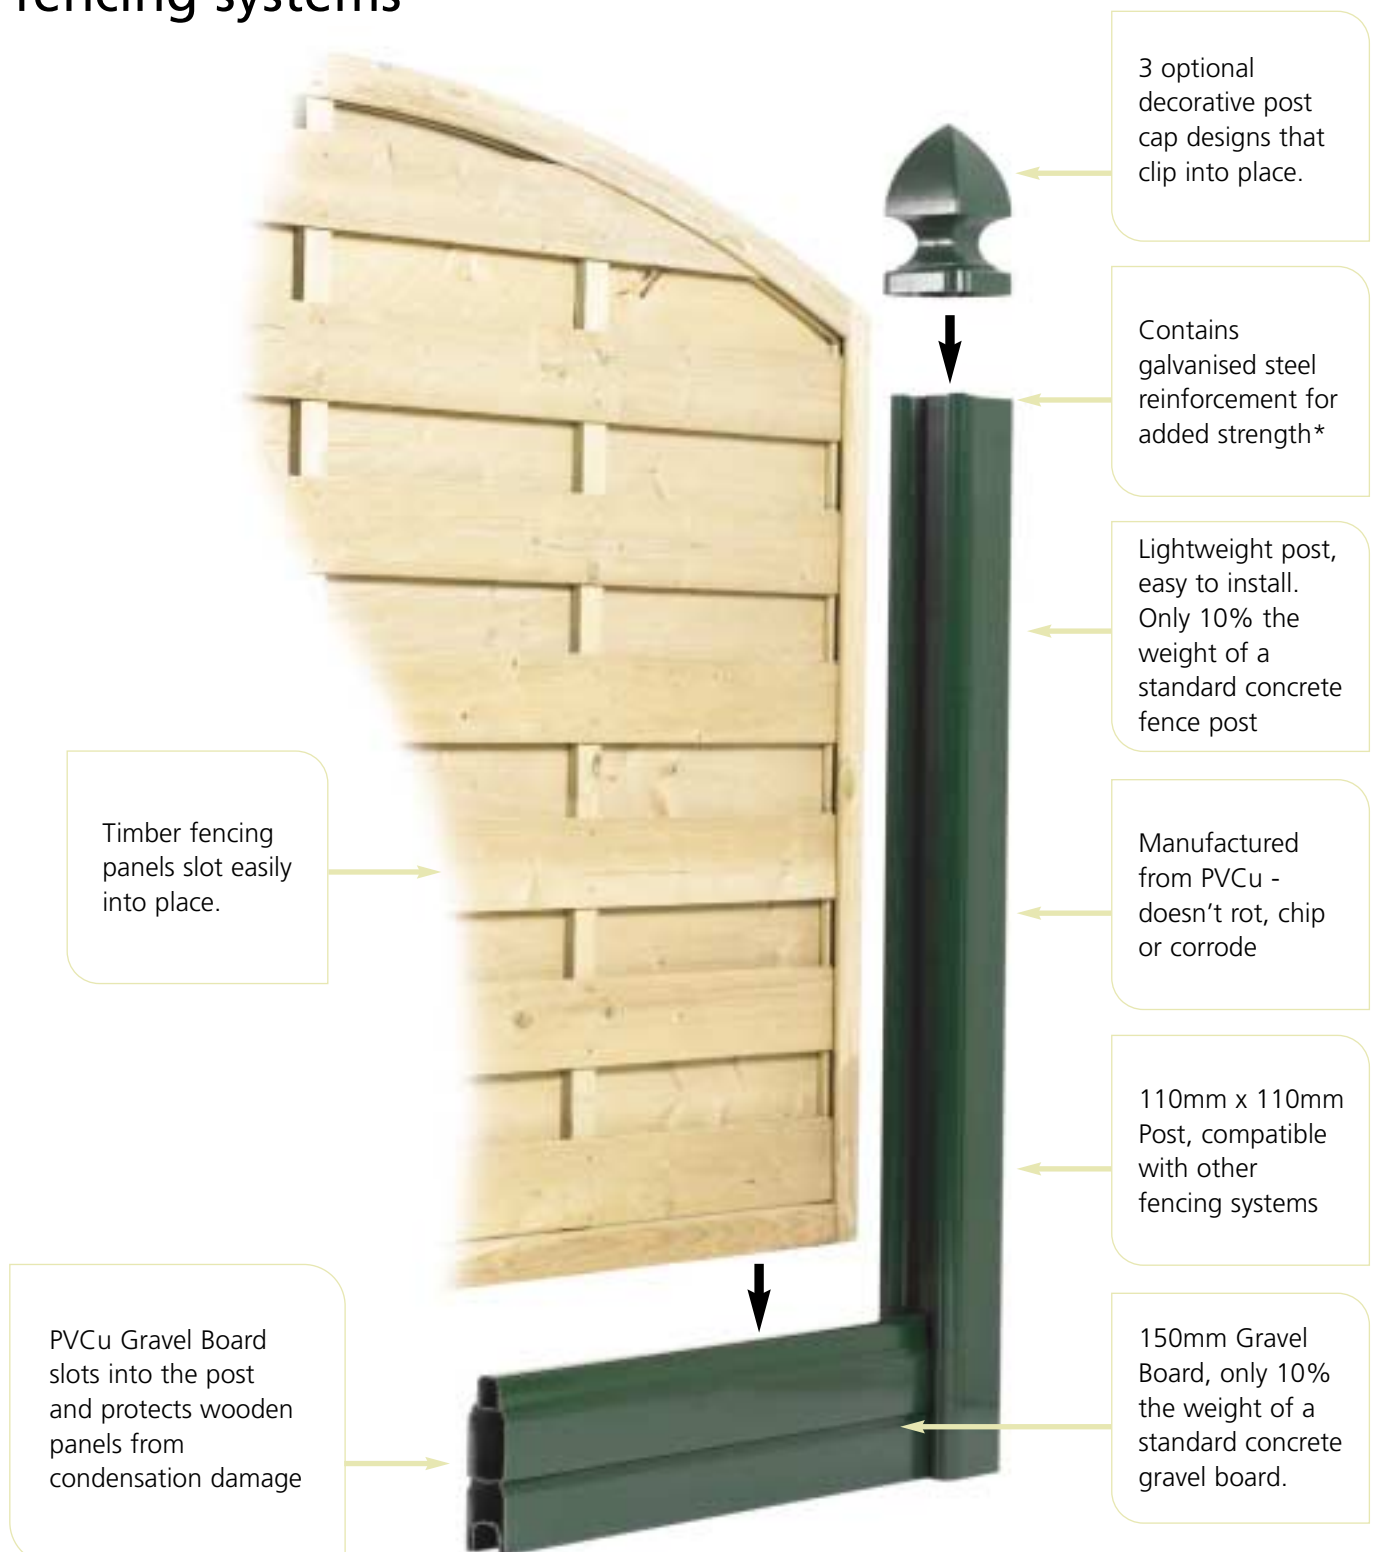

## benefits

The Liniar range of fencing products have a number of key benefits over traditional timber or concrete systems:

- Lightweight
- Maintenance free
- No specialist installation equipment required
- Does not rot or rust
- Colourfast
- Environmentally friendly, manufactured from post industrial recycled products
- Does not crack, break or corrode
- Strong enough to withstand storm force winds
- No risk of splinters
- 100% weatherproof
- Durable
- Easy to Install

## maintenance free fencing systems

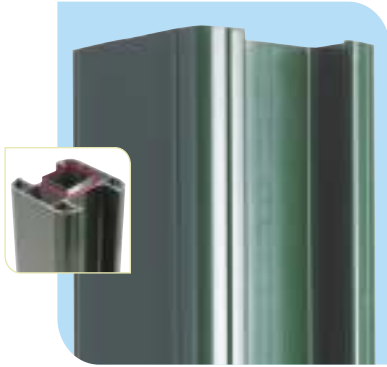

\*Only available in 8' and 9' length posts

# posts and gravel boards

## slotted fence posts

Can be easily cut to length and used to support wooden fence panels in the same way as concrete or timber posts. The 8' and 9' length posts contain galvanised steel re-inforcement for added strength.

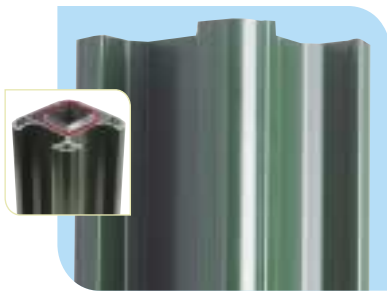

Product Description	Dimension - Metric (mm)			Codes	Pack Size
	Height	Width	Depth		
9' Post with Metal Insert	2743	110	110	HDP2743	50
8' Post with Metal Insert	2438	110	110	HDP2438	50
7' Post	2134	110	110	P2134	50
6' Post	1829	110	110	P1829	50

Colours available shown here

## corner fence posts

Used in the same way as slotted fence posts, but allows a fence system to be installed across multiple sides. The 8' and 9' length posts contain galvanised steel re-inforcement for added strength.

Product Description	Dimension - Metric (mm)			Codes	Pack Size
	Height	Width	Depth		
9' Corner Post with Metal Insert	2743	110	110	CP2743	24
8' Corner Post with Metal Insert	2438	110	110	CP2438	24

Colours available shown here

## gravel board

helps protect your timber fence panels and can also be connected to form a complete PVCu fence panel. Available in both 300mm (12") and 150mm (6") height options.

Product Description	Dimension - Metric (mm)			Codes	Pack Size
	Height	Width	Depth		
6' x 12"	300	1800	50	300G1800	30
6' x 6"	150	1800	50	150G1800	30
8' x 12"	300	2438	50	300G2438	30
8' x 6"	150	2438	50	150G2438	30

Colours available shown here

## decorative panel tops

Provides a convex or concave curved top to a PVCu fence panel.

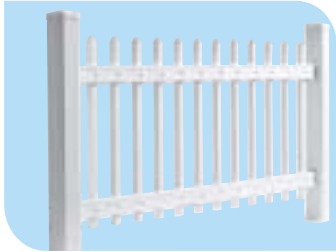

Product Description	Dimension - Metric (mm)			Codes	Pack Size
	Height	Width	Depth		
Convex	300	1800	110	CX1800	15
Concave	150	1800	110	CV1800	15

Colours available shown here

# picket and ranch style fencing

## traditional picket

Easily installed and provides a traditional look with a pointed post cap. Available in all 4 colours. (Does not include posts).

Product Description	Dimension - Metric (mm)			Codes	Pack Size
	Height	Width			
3' x 6' Panel	900	1829		TP1829	1

Colours available shown here

## post and picket

Easily installed and provides a similar style to traditional picket, but with a post rising above the level of the fence at regular intervals. Available in all 4 colours. (Does not include posts).

Product Description	Dimension - Metric (mm)			Codes	Pack Size
	Height	Width			
3' x 6' Panel	900	1829		PR1829	1

Colours available shown here

## ranch style
